Attn: Application Processing Division

Sir:

On March 9, 1999, Applicants filed with the United States Patent and Trademark Office ("USPTO") the above-identified application. Applicants recently received the Filing Receipt issued by the USPTO for this application, which contains an error in the title.

Attached hereto as Exhibit A is a copy of the first page of the New Application Transmittal sheet showing the title of the invention as "Method And System For Reliable Access Of Messages By Multiple Consumers".

CERTIFICATE OF MAILING
(37 C.F.R. §1.8a)

I hereby certify that this paper (along with any referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as First Class Mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231.

Attached hereto as Exhibit B is a copy of the filing receipt for this application, issued by the USPTO, with the title listed as "Method And System For Reliable Access Messages By Multiple Consumers". The word "Of" was inadvertently omitted between the words "Access" and "Messages".

Applicants respectfully request a corrected filing receipt be issued with the title correctly listed as "Method And System For Reliable Access Of Messages By Multiple Consumers".

Applicants also wish to bring to your attention that on the most recently issued filing receipt (Exhibit B) the art unit is listed as 2771, whereas a previous Filing Receipt for this application, issued by the USPTO in April, 1999, lists the art unit as 2761 (Exhibit C). Applicants respectfully request the USPTO to inform them if the art unit for this application has indeed been changed, or whether the latest filing receipt has a typographical error in the group art unit field.

Although no fee is believed due at this time, Applicants hereby authorize the Commissioner to charge any fee due for the filing of these documents to Lyon & Lyon's Deposit Account No. 12-2475.

Respectfully submitted,

LYON & LYON LLP
